UNITED CHURCH OF CHRIST

### **Project Evaluation Form**

In accordance with the Grant Guidelines, evaluation and feedback is important for the success of the entire Grant Process. Our Committee, as well as the Conference at large, is eager to know the progress of your project and what contributed to its success. Not only will this evaluation be helpful for communicating within your church community, but it will be helpful for other churches in our Conference who are considering similar projects.

An electronic version of this document can be found online at [www.secucc.org](http://www.secucc.org). Many thanks for returning this form or the electronic form within 60 days of your project completion.

If additional space is needed to provide feedback, feel free to do so.
