Modified and social distanced in-person worship services each Sunday at 11 a.m.

For those not yet comfortable in returning to in-person worship, Spirit of the Cross worship services will be live-streamed on the church's YouTube channel. If you subscribe to the channel and activate alerts, YouTube will send a notification when the live stream begins.

Communion will be served in each service. If you are watching the live-stream and would like to use the same disposable communion packets that are used in the service, call the church office and arrange a time to drop-by and pick some up.

**Things to Know**

At this time, only the Sunday 11 a.m. worship service will be in-person. Wednesday Night Bible Studies and other services (i.e. Holy Week services) will be on-line only.

Because of social distancing requirements, seating capacity is reduced. At this time, only 40 seats are available in the sanctuary. Up to another 30 seats will be available as over-flow in the fellowship hall where the service can be watched on the fellowship hall big-screen monitor. Seating will be available on a first come, first serve basis.

Please enter the church through the main sanctuary entrance (the east-side double glass doors).

The main sanctuary entrance doors will open at 10:40 a.m. for check-in. Only board members and worship service personnel will be admitted beforehand.

Upon entry and before you are seated, your temperature will be taken and you will be asked the following five questions:

**Have you been in close contact with a confirmed case of COVID-19 in the past two weeks?**

**Are you experiencing a cough, shortness of breath, or sore throat?**

**Have you had a fever in the last 48 hours?**

**Have you experienced new loss of taste or smell?**

**Have you experienced vomiting or diarrhea in the last 24 hours?**

- *If you answered ‘yes’ to any of the above questions, we advise you to go home, seek medical care, and be tested for COVID-19.*
We ask that you adhere to the following 10 commandments not only for your own safety, but out of love for one another. As Christians, we have an obligation to watch out for the welfare of each other.

**The 10 Commandments of In-Person Worship During Covid-19 at Spirit of the Cross**

1. The worship service will last approx 45 minutes. Shorter worship services reduce the time of being in an enclosed area thus reducing exposure risks.

2. Face masks are to be properly worn (covering nose and mouth) at all times by attendees two years and older. At this time, congregational singing is not encouraged.

3. Maintain proper social distancing while in the church.

4. No hugging or handshakes. Elbow and fist bumps are acceptable - find ways to love and encourage from a distance (wave, bow one’s head in a spirit of hospitality, and even a wink or two - unless your spouse objects). :)

5. Attendees should not move chairs. Fill the sanctuary first and then use overflow seating in the fellowship hall. Seat ushers will guide you to available seating. Once seated, please do not change seats.

6. Interior sanctuary and fellowship hall doors are propped open to minimize touching of door handles, so please keep noise to a minimum when the worship service begins.

7. There will be no food or drinks served in the fellowship hall. Self-serve coffee or soft drinks are not allowed. If you need water, please contact a seat usher for assistance. The smoking area will not be available.

8. Communion will be received in your seat using the disposable communion packets that were placed in your seat prior to the service. Our pastors will give communion instructions at the appropriate time. Face masks may be momentarily pulled down to consume your communion elements.

9. The offering plates will not be passed during the service. You may drop your offerings and Welcome Cards in the designated offering buckets or plate locations. These locations will be clearly marked and you can always ask an usher for guidance.

10. Because social distancing is not possible in a nursery or children’s church, nursery and children’s church will not be offered. A parent may use the nursery, if needed, for their own child.
