### **Whirlwinds and Winds of the Spirit** **A Message from Rev. June Boutwell, Designated Conference Minister**

Some folks may be familiar with the story of Elijah taken up in the whirlwind and ascending into heaven leaving Elisha to continue the ministry of advising the leaders of the people. However in the last few weeks it has been more like Randy traveling down the road and the whirlwind staying behind to accompany me as I am immersed in this ministry and try to fill the role of advising leaders and fellow prophets as we embark upon this new part of the journey.

The office I occupy by your vote is Designated Conference Minister. It is a particular ministry described in the call agreement in this way: to become our pastor and teacher for a period of three years....During this time we ask that you lead us in a process of visioning, planning, and preparing a road map for our future, as described in the section "Where We Are Headed" from our Conference profile....At the end of the designated term, the Conference Board of Directors may elect to extend this call for up to two additional years in order to complete the work of building a new structure or preparing the

way for new ministerial leadership. As the psalmist says, I am about to do a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert. (Isaiah 43:18-20). We have much work to do together with great perception, deep compassion, abundant love, and unceasing prayer. I look forward to all the gifts, skills, talents, dreams, vision, and passion that will be shared over the next few years as we travel this road.

I am so appreciative of the hospitality of the folks of the Southeast Conference as I came in February to be called to this position of Designated Conference Minister and for Randy and Karen's abundant hospitality. I had the gift of spending three days with Randy after the meeting on February 1 to listen to and learn from Randy about this ministry. Gerri, Debbie, Sarah and Chris have been very generous with their time and patience as I have learned more about how the staff functions and the responsibilities and procedures of this office.

## CONFERENCE NEWS

### Beloved Community Damaged by Storm

Beloved Community Church in Birmingham was damaged in a storm on Friday, February 21st. Most of the roof was torn off and the brick cornice and air conditioning system damaged as well as significant water damage inside followed by two more rain storms before the damage estimates were fully complete. June Boutwell, Designated Conference Minister, was notified of the situation as she was traveling to Atlanta from her home in California. She has since met with Rev. Angie Wright, whose personal residence was also damaged. June was able to be in worship with Beloved Community on March 2nd. She has been working with the United Church of Christ Insurance Board to ensure that the claim is handled well and that Beloved can return to their building as soon as possible.

Churches in the area reached out to Beloved when the news became known and offered space and support as the church recovers. For now the congregation is worshipping at Avondale United Methodist Church a few

## CELEBRATION

**Kimberly Nichole Sorrells** was ordained to the Christian ministry at **Central Congregational Church United Church of Christ** on February 23, 2014. Kim is serving as Minister to Children and Youth at St. Mark United Methodist Church in Atlanta. One of the great joys of the ordination service was the presence of members and youth from St. Mark including a joint choir. Kim is originally from Birmingham, Alabama, but moved to Georgia to attend Berry College, where she majored in religion and minored in Psychology. Kim came to Atlanta to serve in AmeriCorps at Metro Atlanta Taskforce for the Homeless and Midtown Assistance Center. She graduated from Candler School of Theology with a Masters of Divinity in 2011.

## PATHWAYS to Launch Level 3 Program in March 2014

*by Sarah Kim*

On January 25, 2014, a long-time MID who has served Community Congregational United Church of Christ (Montgomery, AL) as licensed minister since 2002, celebrated her ordainable-pending-a-call status, enthusiastically granted by the Ecclesiastical Council of the Southeast Conference, UCC. The event was a notable milestone, for Dorinda Broandnax is the first authorized minister in the Conference to be equipped for ordained ministry through a non-traditional educational path. As a graduate of the TAP (Theology Among the People) program-the predecessor of PATHWAYS-Minister Broandnax completed the MID process through continued service in the local church and creative learning efforts in theological education.
