## SOUTHEAST UCC Conference

January 15, 2017

### From the Conference Office

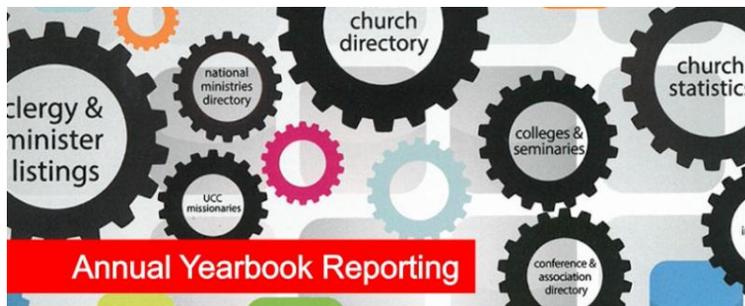

#### Can We Achieve 100%?

The Southeast Conference of the United Church of Christ requests that all churches of the Conference participate in the United Church of Christ's Yearbook Data Entry for 2017. Having accurate information on every church in the Conference is essential to allowing Interim Conference Minister, Marie Bacchiocchi to understand something about the churches in the Conference.

Each church is responsible for inputting their data into the UCC data hub. The window for data entry began on January 3, 2017.

A hard copy mailing is being sent to every church. If you require assistance with data entry, please contact Heather Bardole, the SEC Office Administrator, at 404-719-6572. The goal is 100% participation from the churches of the Southeast Conference. Thank you for helping us achieve this goal!

Instructions for using the Data Hub [are on our website](#).

#### Rev. Marie A. Bacchiocchi Announced as Interim Conference Minister

## Moderator's Message

by JR Flinney, Conference Moderator

This New Year of 2017 begins a new era for the Southeast Conference as we enter our 51st year. We have not closed our conference office but we have moved to a virtual office. A couple of weeks ago, June and I sent out a letter to all the churches with pertinent information you need to know concerning the move to a virtual office.

The work of the Conference and the conference minister continues. But we are learning to do things differently to address the changing circumstances in which we find ourselves. I have always been fond of the passage of scripture in Esther 4:14, where Mordecai, knowing his people were being threatened, went to Queen Esther and said to her, "Who knows but that you have come to royal position for such a time as this." Having become the Conference Moderator and Board Chair at the 2016 Annual Meeting, I have come to appreciate the sentiment of those words even more.

Having had the opportunity to look behind the scenes, aided by a great staff, attorney and CPA, the Southeast Conference, with Rev. June Boutwell as our Designated Conference Minister, has made great strides. Her leadership and guidance coupled with her financial, administrative, and UCC experience made her just the right person "for such a time as this." This is evidenced by this being the theme for the 2014 Conference Annual Meeting, where she was installed, and these past three years.

The work of the incoming Interim Conference Minister, Rev. Marie Bacchiocchi, will be to build upon the great work of Rev. June, and then shepherding the conference to a vision of ministry to meet our changing circumstances. I commend the work of the Interim Search Committee and the Board for I too believe Rev. Marie is the right person to do the work "for such a time as this."

Today, the conference faces 2017 in a sound and sustainable financial and administrative position. But this is a beginning—we have not arrived! The work of the Conference is an ongoing journey. To ensure our abilities to continue to be effective in missions and ministry requires the ongoing commitment and support of local UCC congregations through Our Church's Wider Mission (OWCM) basic financial support and by those who serve the conference on Boards and Committees and other ministries. The future holds much that is needed to meet the continually changing challenges we will face and ministry opportunities with which we will be presented.

To paraphrase what Mordecai said to Esther, "Who knows, maybe you have come to a royal position as a member of that part of the Body of Christ we know as the Southeast Conference of the United Church of Christ for such a time as this!"

God is still speaking! But we need your help to ensure that the voice of God is heard in our local churches, communities, Conference, and the United Church of Christ.

## News from the United Church of Christ

### General Synod 2017: June 30-July 4 in Baltimore, Maryland

Every two years, General Synod brings together thousands of faithful members of the United Church of Christ for formal church witness, inspirational worship, and fellowship with friends (new and old). In June 2017, thousands from across the country (and abroad) will gather for General Synod 2017 in Baltimore, Maryland.

Together, we will discern resolutions of witness, church structure, and function. We will stand up for issues that demand a faithful witness. And we will join together in worship each day to lift up the Stillspeaking God. At General Synod 2017, we will "Make Glad!" as we celebrate, debate, worship and witness. Join us. Learn more on the Synod website: [synod.uccpages.org](http://synod.uccpages.org).

### Antoinette Brown Award Nominations Open

In 1975, the United Church of Christ honored two clergywomen with the first Antoinette Brown Award, celebrating the life and ministry of the first woman ordained into Christian ministry since biblical times as well as the lives and ministries of UCC clergywomen who exemplify Brown's spirit of trailblazing leadership in church and society.

Over forty years later, the pathways are considerably widened for women in ministry in the UCC, but there are still necessarily pioneers and innovators in our midst, women who lead in extraordinary ways and who make possible other women's ministries. From March 1 - April 15, 2017, **we invite your nominations of trailblazers** (UCC clergywomen who honor Antoinette Brown's vision of women in leadership in church and society) as well as catalysts (collectives, projects, congregations, or organizations that serve as provocative spaces that advance women in ministry). Honorees will be celebrated at General Synod in Baltimore this summer.

## Training, Learning and Retreat Opportunities

### Live & Learn @ TACC

TACC is offering wonderful opportunities in February for anybody who struggles with stress or with chronic pain. They include gentle body movement to increase the participants' awareness of their bodies, where they hold the stress or pain in their body physically, and how to work with one's emotions and stressors to release some of the tension and learn how to self-care while coping with chronic conditions. TACC life coach Barbara Kemper facilitates these two groups. She is of German origin and speaks

English and Portuguese.

Please join Counseling @ TACC and community experts for lunch, and to learn more about how to explore life's difficult conversations and challenging situations. All are welcome! Suggested Donation: \$5 for attendance, \$15 for attendance and lunch. For more information about Live & Learn @ TACC, please visit their [website](#).
