### Moderator's Message

by JR Finney, Conference Moderator

"There's an opportune time to do things, a right time for everything on the earth: ... A right time to plant and another to reap." (Ecclesiastes 3:1 & 2b, The Message)

February 12 - 19 is a significant week in my life. It's when the memories of My Precious Mom, James Ella Reid Finney are ever present in most all I do. She died on the 12th, was buried on 15th, the anniversary of her and my

father's wedding is the 18th, and she was born on the 19th. This week is even more significant to me because Covenant Community Church (UCC) where I pastor was founded on February 15, 1981.

Mom was kind of a Sage full of sayings that contained valuable life lessons. She always invoked one of those sayings when recognizing the extraordinary gift of ministry or service someone had rendered. She would say, "It's always important to praise the bridge that brought you across." So, allow me this opportunity to do just that as the first week of March will be a significant week in the life of our Southeast Conference.

The Southeast Conference owes a great debt of thanksgiving and gratitude to all of our previous Conference Ministers that have been part of the bridge that brought us across nearly 51 years of ministry. However, my tenure as a member of the Board of Directors and now as Conference Moderator and Board Chair has allowed me to see up close the tremendous value of the ministry and gifts of Reverend June Boutwell as our Designated Conference Minister. For the past three years, she has tirelessly provided us with much needed leadership and guidance pastorally, administratively and financially. Her devotion and efforts have poised our Conference to better meeting the future challenges of a constantly changing church.

The efforts she has planted will allow our incoming Interim Conference Minister, Reverend Marie Bacchiocchi, to reap the benefits of those efforts and began planting the seeds of her ministry to take our conference to a greater future. So, on March 4th, at First Congregational Church in Atlanta, from 2:00 - 3:30 pm, I invite you (if you can) to join us for a "Conference Minister Transition Celebration" as we say farewell to Reverend June Boutwell. It's an opportunity to paraphrase my Mom "praising her for being an essential element in the bridge that brought us across this last 3 years." And we will welcome Reverend Marie Bacchiocchi, as she begins her work on the bridge to carry us forward.

## General Synod 2017: June 30-July 4 in Baltimore, Maryland

Every two years, General Synod brings together thousands of faithful members of the United Church of Christ for formal church witness, inspirational worship, and fellowship with friends (new and old). In June 2017, thousands from across the country (and abroad) will gather for General Synod 2017 in Baltimore, Maryland.

Together, we will discern resolutions of witness, church structure, and function. We will stand up for issues that demand a faithful witness. And we will join together in worship each day to lift up the Still-speaking God. At General Synod 2017, we will "Make Glad!" as we celebrate, debate, worship and witness. Join us. ## Antoinette Brown Award Nominations Due March 1, 2017

In 1975, the United Church of Christ honored two clergywomen with the first Antoinette Brown Award, celebrating the life and ministry of the first woman ordained into Christian ministry since biblical times as well as the lives and ministries of UCC clergywomen who exemplify Brown's spirit of trailblazing leadership in church and society.

Forty years later, the pathways are considerably widened for women in ministry in the UCC, but there are still necessarily pioneers and innovators in our midst, women who lead in extraordinary ways and who make possible other women's ministries. We invite your nominations of trailblazers: ordained clergywomen in the UCC who honor Antoinette Brown's vision of women in leadership in church and society, while Catalysts are any sort of project, collective, congregation or organization that serves as a provocative place that advances and empowers women in ministry. Last week, a draft executive order entitled "Establishing a Government-Wide Initiative to Respect Religious Freedom" was

leaked to the press. Acknowledging that the order is a draft, and not knowing what a final version might bring, the fact that these ideas are being floated around the White House should trouble all Christians to their very cores. [Read more on the UCC website.](#)

## PATHWAYS Courses

### "Good Sabbath! Restoring Your Soul"

Good Sabbath! This is hardly a greeting heard much among Christians, sounding at once ancient and "borrowed," but perhaps also curious and fresh in the ambivalence with which many Christians currently hold the Sabbath. This course is an invitation to reflect on the implications of the Sabbath for contemporary living. Does the Sabbath continue to speak to us in our resurrected lives in Christ? Is the Sabbath good for you, for us? These seem to be questions worth asking.
